PROJECT COORDINATOR

402-518-2428 | MPavur@Timberlyne.com

Michael is one of Timberlyne's experienced Project Coordinators, ready to help guide you through the exciting process of building a home, barn, or commercial structure.

Dedicated to superior service, Michael works hard to understand customers' wants and needs to help them design their dream. He takes pride in keeping up-to-date with projects from start to finish and has vast experience navigating budget, planning, safety, and billing.

Michael has worked with homeowners from coast to coast and is passionate about helping each one find the right product to make their dream a reality. He has worked with customers on various home and barn styles and has experience working to develop pavilions and venues.

Michael resides in Boerne, Texas, with his wife and three children. Michael likes spending time with family in his spare time doing outdoor activities, hunting, fishing, grilling, and enjoying sports.

“ One of my favorite projects was the Weston Barn. I know it will be a place where the family enjoys holidays and events. It will be a staple that their kids will look back in 20 years with countless memories. It was one of my first projects at Timberlyne, and I can truly say that we positively impacted someone's life by creating that barn. ”
