Randy is one of Timberlyne's experienced Project Coordinators, ready to help guide you through the exciting process of building a home, barn, or commercial structure.

Dedicated to superior service, Randy works hard to foster collaborative relationships with customers and the design team from the first phone call through the end of construction.

Randy has worked with homeowners from coast to coast and is passionate about helping each one find the right product to make their dream a reality. He is very experienced working in the Rocky Mountain area extending West to the coast.

Randy has been involved in sales and product development for Timberlyne since 2007. He enjoys sharing the creativity and excitement of starting a new project and providing guidance throughout the process. He has worked on a wide variety of projects, including barns, barn homes, homes, and commercial event structures.

He resides with his wife and two dogs in Chiloquin, Oregon. Randy enjoys outdoor sports, home projects, and car and boat restoration in his spare time. He has a US Merchant Marines Captain License and used to own two bi-coastal fishing charter businesses in Chiloquin, Oregon & Key West, Florida.

“ The best part is seeing a project completed and the smile on our customer's faces when the job is finished. Sharing the satisfaction from their investment in time and money to make this all happen.
